“ ...who comforts us in all of our affliction ,so that we may be able to comfort those who are in any affliction , with the comfort with which we ourselves are comforted by God. 2 Corinthians 1:4 May we comfort and hold each other up in our time of grief and pain.

“ Death is so limited. It can't kill love, it can't shatter hope, it can't corrode faith, it can't destroy peace, it can't kill friendship, it can't suppress memories, it can't invade the soul, it can't steal eternal life and most of it can't conquer the spirit. The distance between us and our family members who have passed over is nothing but a parenthesis in eternity .Although it is difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow.

“God is for us a refuge and strength, A help that is readily to be found during distresses "Psalm 46:1. When there is nothing left but God That is when you find out God is all you need. Our Loved Ones are not far away, although it can be hard to believe, just reach out with your thoughts and love. And be open for the gifts you'll receive. Love is eternal, it never dies. When we pass it's all we can take. The love we share is never lost. The bond will never break.
